OLD STUFF - CURRENT STUFF - STUFF TO COME!

Happy New Year Members! The new millennium is upon us. Some had a great time at our annual New Years Eve blast and already know that we have suffered no ill effects from the Y2K bug. This next year should be better than ever.

We've added a new special to our Laser Storm hourly rates. We now offer an All-Night Outing. It includes up to 7 hours of laser tag play, food, drinks, tokens for the arcade, and total exclusive use of the entire facility. Speak to a Laser Storm manager for more detailed information.

The Fall 1999 league season is currently in it's playoff series. It will finish up at the end of January. The Spring 2000 league season will begin sometime early February. Sign ups will begin January 10th.

With each new league season comes a new arena design. Get your last games in the current arena design. The new arena will be up by January 24th.

Laser Storm Pittsburgh will also be hosting the up and coming regional tournament. The date set is January 30th.

Tournament practice games will begin at 7am, the captain's meeting will be at 8am, and the double elimination series will begin promptly at 9am. The tournament consists of 5 player teams and all teams are invited. If you are interested, put together a team and contact TALON for any additional information.

As each grading period ends, be sure to bring in those report cards. If your grades meet a high enough level of excellence, you can earn a free game of Laser Storm laser tag.

Good luck to all in 2000!

new years eve 1999

Many brought in the next millennium with the Laser Storm New Year's Eve Blast. Those that attended found a very Y2K compliant system. A few fun facts:

- FIRST's & LAST's**
- Warlock: last base hit of the 20th century
 - Shaggy: first player to energize in 2000
 - Kirby: First player hit given of 2000
 - Da War Man: first base hit of 2000
 - Green won the first game of the 21st century

If you were unable to attend, we hope that you had as much fun as we did.

SAN FRANCISCO RUSH 2049

The hottest most played game in Laser Storm Pittsburgh's four years is the new Rush 2049 by Atari Games. In fact, Rush 2049 is the hottest driving game in any arcade. Each driver gets a password that saves their best times and milage. As you accumulate experience behind the wheel, you'll unlock bonus tracks and cars. Once you think you've mastered each of the tracks, guess again, you haven't. In each track there are 100 hidden coins. No driver yet has found all 100 coins on any of the tracks. Maybe you'll be the first!
