This summer is an excellent time to get a Monthly Pass. It allows you to play every day, all day, for only \$100!! Most members play more than 100 games, that comes to only \$1 per game so it's definitely worth it! You can get lots of practice and the pass is good for the SUMMER LEAGUE! Yes, that's right. Every Monday your team of 5 would be facing a different team in our 31st season of organized weekly play.

We will be organizing another members event in the future. Most likely before you receive the next newsletter. This information will be posted at the store so keep your eyes and ears open!

Tournament info

This season's regional opener was held January 26th with a huge turnout of players! We had 2 teams from Ohio plus 6 teams from Pittsburgh. Many newly formed teams participated, and most of them were evenly matched. There were a lot of really close games, and at the same time, a few blowouts as well. The final results yielded "Extreme Dump Truck On Fire" (PITT) as our champions, emerging undefeated in the double elimination bracket. Second place was "Funky Cold Medina" (PITT) who just managed to pull off a win against "Can't Stop The Pop" (OH).

Holland, Michigan was our next stop on February 23rd, where we played an extremely long round-robin tournament. It was worth the 6 hour drive to play that much laser tag on such a cool arena. This is the location of the National Tournament this year, so we welcomed the practice. We sent 2 teams and one of them, "Legends for Life" brought home 3rd place.

The National Tournament will be held July 24th thru July 27th, and will be hosting teams from all over the country. All players are welcome! Nationals info can be found at www.the-lostcity.com/tournaments.

Regular season standings

Before this season is over (by 4/14 at the latest) we will post the sign-up sheet for the 31st league season. This is a first come, first serve kind of list, where those of you who wait might miss your chance to sign up. We only have so many open slots, so get down here and give us your \$10 registration as soon as you can! Everyone gets drafted onto a team of 5 players by pre-selected captains, and throughout the season work to develop their abilities, strategies, and teamwork in the hopes that it will pay off in the end with a championship win!
