Winter League

The Winter League season is going fast. We will now take sign ups for the Spring/Summer league. Everyone seems to be really having a good time playing every Monday night. Nate Brailer, currently know as Sphinx says "leagues are a good learning experience for new players, and It's a lot of fun." T-Shirts

Through the past years Laser Storm has had many different t-shirt designs. We currently have a design that compliments the 5 year anniversary membership card. The new t-shirts come in black and cost \$14.00. If you hurry we still have a few older design t-shirts left in stock, they are also \$14.00. If the winter season is too cold for you, try one of our new Laser Storm Sweat Shirts for only \$22.00. Visit Laser Storm for a complete look at all our storm gear.

Arena Designs

Have you been to our Web site? If not the address is www.laserstorm.org. Once there you can check out everything about laser storm. Check out our new link, to design your own arena. You can print out a grid map from our web site to design your own and personal arena design. Once done, either email or bring in the design. Your design could be chosen to be our next layout. If you are chosen you will receive 10 FREE games of Laser Storm.

Four Great Views

We have just added four new 27 inch televisions. The televisions are located in our lobby above the Ready Room entry door, in the food court. Each 27 inch television has a specific view of the laser tag arena. The views cover red and green offense and base areas. Now while you are waiting for your next game, you can watch the current game in process.

Also added to the lobby is a club atmosphere at night. We have added some lighting effects and also a better music selection.

If you have any suggestions on making Laser Storm a cooler place to hang out, please let us know.

PA/OH Regionals

The Ohio/Pennsylvania monthly regional tournaments are a blast. If you are not involved already and would like to please contact Jeremy at 412-364-3473.

The last match up was at Jesters Court in Warren, Ohio. A another visit from Colorado's "Ego Trip" would end up taking 1st place, Ohio taking 2nd place, and Pittsburgh taking 5th. The next tournament will be at a new location in Spring Field, Ohio on April 1st.

The 5th annual National Tournament will be held at Jesters Court, during the month of July. The event will last a week and be a blast. If you are interested form a team today!
