National Championship 2009

PITTSBURGH WINS!

For the second time in 13 years, our very own Pittsburgh players have clinched the National title. Congratulations to team "Dump Shuttle" for their 100% undefeated victory in the round robin and double elimination. Pittsburgh Regional Champions "Justice" made their presence known by winning 2nd place. And in an amazing feat of skill, all 3 individual awards (most base hits, best ratio, and Top Gun "Best in the Nation") were all won by Pittsburgh native Matt "Red Dog" Mator.

LSP would like to thank all the players who attended this event because without you there wouldn't be a national tournament. Thanks to Tom "Rabid Peanut" Hunt for donating his time and effort and designing the logo for the tournament. Let's keep it going for another year guys! There's nothing stopping us from having a 14th annual tournament.

2009 TOP GUN

The TOP GUN challenge was left out of the previous 2 years' National Tournaments, but was brought back by popular demand this year. This is where all of the players from every team are competing to get the highest ratio in the game so they move on to the next round. After several elimination rounds it comes down to a 1 on 1. This year's runner up, Matt "Silent Killer" Hussak gave everything he had, but in the end he was defeated by our newest Top Gun Champion, Matt "Red Dog" Mator! Congratulations to both Matts!
