FALL 2010

Pittsburgh wins the National Championship for the second year in a row! Congratulations to "Extreme Dump Truck On Fire" for keeping it in the 'Burgh. Also this is our first out of state national win! Granted, Pittsburgh players have won many games in every store across the country, but we've always just fallen short of a National win. Sometimes only by 2 points. This year's final game was won by only 7 points against former National Champs, "Oblivion". Way to go Red Dog, Zalgax, Dancer, Kirby, and Llama!

Back to school, back to Storm! If it was too hot this summer for laser tag, there's no excuse anymore! Leagues is entering into the second series. The regional season is already underway. September's tournament is already over, so don't miss your chance to play October's tournament!! Ask for more details.

We are offering a FREE LASER TAG GAME to anyone who gets a friend to sign up to be a member of Laser Storm Pittsburgh. Our membership system has been in place for 13 years now. Nowhere else in the country will you find as much competitive play as you will here.

New members!

We had a big jump in the number of new memberships this quarter. Some of these players have already advanced to the level where they can compete with National players. Come get some practice everyone!

nationals 2010

The resurrection of Ohio's arena was welcome news to the laser tag community. Good thing the owner kept everything they had! The players, led by George Raptis, constructed a load bearing wall, a grid, and an amazing observation deck all inside an enormous storage barn on the property of Skyway Drive-In theater.

This year's national tournament was held in the very same arena. Pittsburgh sent 3 teams and Ohio had 2. The first day was spent configuring the arena, and the next two were spent playing the preliminary seeding rounds. The final double elimination bracket was played on August 15th, 2010.

For the first time in 15 years Pittsburgh has won back to back national tournaments AND won out of state as well! Congratulations to 2 time champions Extreme Dump Truck On Fire! (formerly Dump Shuttle). Second place was "Act Right" from Ohio, and in third place was "Vendetta" also from Pittsburgh.

~~regional season opener~~

Several new teams turned out on 9/25 for the first tournament of the 2010-2011 season! One team came from Altoona, PA. What an awesome beginning to an all-new series of tournaments! Special thanks to teams "Snake Eyes" and "Bellview" for taking the challenge and playing their first tournaments ever!
