The Quarterly Laser Storm Membership Newsletter

HAPPY NEW YEAR!

The end of 2010 brings with it one of the largest waves of new members we have had in awhile! If you are reading this newsletter for the first time, congratulations on your new membership! This publication will come to your door once every three months. Make sure you read it front to back! All of the latest information on tournaments, leagues, and special events is found RIGHT HERE! Notice the coupon on the bottom right of this page. DON'T THROW IT AWAY! Cut it out and bring it in to receive your *STORM CARD*, a small coupon book filled with more than \$90 worth of discounts!

Now that you are a member, you should take advantage of the MONTHLY PASS. You can show up at Laser Storm, and play all day, every day, for \$100. This pass lasts for 1 month, and is not valid after hours. If you find yourself coming here 3 times a week, this is for you!

Are there a few players you just can't seem to beat? Why are they so good? Find out why and how YOU can get this good by frequenting Fire 'Til You Tire on Tuesdays. We'll teach you everything you need to know!

Test your skills on our new arena design! The most level playing field is a new arena where no one is familiar with the layout.

DECEMBER MEMBER'S EVENT!

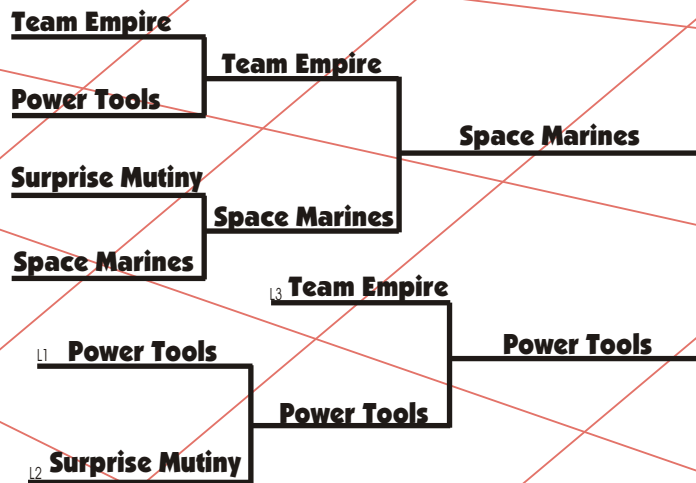

If you were there you know it was a BLAST! Many members old and new turned out for the last exclusive event of 2010. Besides the standard regional practice, we played super stealth, Highlander, War Games, and several "Inverted" configurations. See our website for photos and YouTube videos! In the end it seemed that war games was the favorite of the evening. You won't ever get to play that configuration during regular public hours, so keep your eyes open so you know when the next Member's Only Exclusive Event is taking place!

***All members in attendance not shown.**

REGIONAL SEASON UPDATE

2010 is the first year in ages that we've actually had serious competition from other centers besides LSP. Over in Warren, Ohio the gang from the former Jester's Court Center modified a huge barn/flea market to be a very competitive laser tag arena. Also, longtime member "Dominator" opened his own Laser Storm as well. Combined with Butler's and Harmar's Laser Storms, and Skate Zone in Austintown, we now have 6 arenas in our region!

~~Now all we need is to get regular competing teams from these other stores. The last tournament held in Ohio was won by the home team. The previous tournament at Dominator's store was won by the team "MXP's" from Laser Storm Pittsburgh. Coming up soon is the next tournament, to be held here at Laser Storm Pittsburgh on January 29th. Get your teams together NOW!~~
