# DECEMBER MEMBER'S EVENT!

The 2 hour format for the members event continues to be popular. Another Members Event was held on December 28th. As usual this event had all the crazy games that you do not get to play any other time.

The favorite game was the Highlander game. If you have never played a Highlander, it is a game where everyone is for themselves. All the players get 10 shields and 255 shots and that's it! When you are out, you have to take a seat and watch until there is only one left standing. This is interesting because players can team up to make multiple teams.

This Member's Event ended with a longer game than normal. Everyone wanted to play a 20 minute game to see what it was like. The players agree that 20 minutes is too long to play a highly intense game. The score was neck and neck until the end. The team with the most stamina at the end won.

The next Member's Event has not been scheduled. The 2 hour event is priced at only \$15. Keep your eye open for the signs to be posted around the store and notifications on Facebook and Laser Storm's website.

# REGIONAL SEASON UPDATE

There was a tournament held at the Skyway Drive-in on October 28th in Ohio. Teams from Xtreme Laser Storm in Robinson, Laser Storm Pittsburgh and Skyway Laser Tag in Ohio attended.

All the teams did their best. Rock Lobster (Darkace, Red Dog, Woodpile, Lanari and Cool Cat) took first place by one win. Uprising (Rave, Miza, Clueless, Pickles and Hawk) took the third place medals.

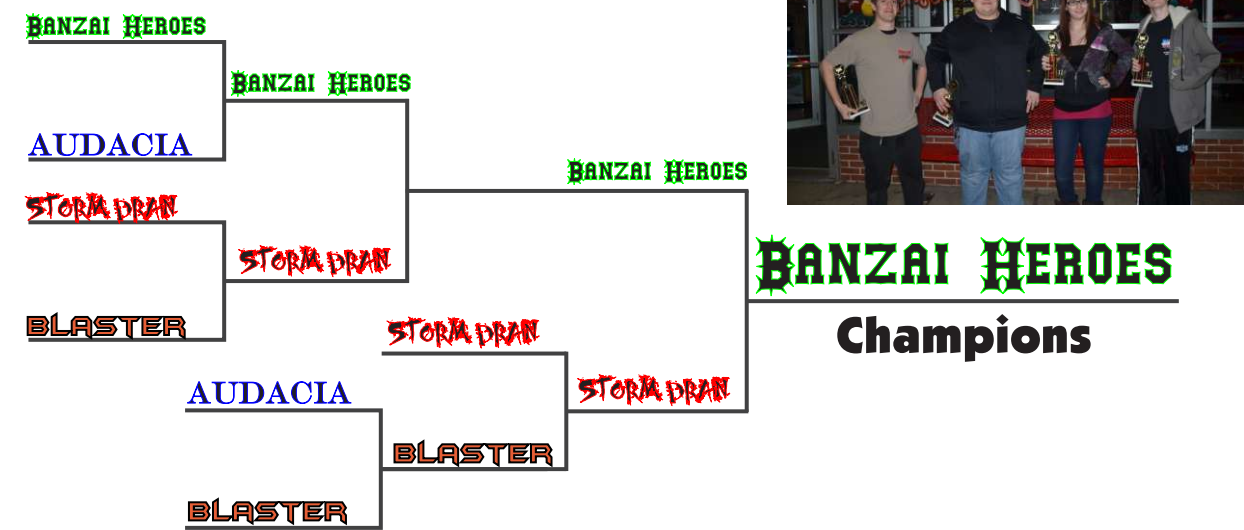

There was a Rave Invitational held at Xtreme Laser Storm in Robinson. It was a 3v3 with 8 teams. First and third place was awarded to players from Laser Storm Pittsburgh. First place was taken by The Rabble Rousers (Cloud, Vash the Stampede and Clueless) and third place by Triforce (Flying Turtal, The Phantom and LOLSheep). Congratulations to The Rabble Rousers and Triforce!

Thank you to all players that compete in the high level competitions.

# LEAGUE INFORMATION

The team Banzai Heroes takes the Championship title for the 2011 Fall League. Congratulations Red Dog, Shank, Green Laser, K-Awsome and Death Bandit!

This playoff win by Banzai Heroes was extremely close. The first round game against Audacia would be decided by a penalty. The second game against Storm Drain would be a tie. The tie was broken with the tie break rule of comparing the best and worst plus/minus for each team. Banzai Heroes played shorthanded against Storm Drain. This caused both teams to change the strategy they had practiced all season. In the end, Banzai Heroes prevailed to win the championship.
