FRUIT NINJA

Laser Storm has the hottest new arcade game!

Yes, FRUIT NINJA is here! Don't just play it on your smartphone on a tiny screen. Come in to play on a 46" screen! You can't just use your finger, you gotta put your body into it! Can you handle up to 6 blades at one time? There is only one way to find out.

Collect all the bananas, avoid the bombs and become a combo master. Practice all you want on your phone, it might help you deal with 880" of game area. That equal to about 60 iPhones.

REGIONAL SEASON UPDATE

The January regional tournament was held at Xtreme Laser Storm on the 28th. The turnout was great with 8 teams attending. The games were very intense. By the end of the tournament, it was a 3 way tie for second place. The first place went to Nexus Ops (Llama, Dancer, Shank, Vash the Stampede, and Shadowdancer). Cherry Poppers, Thundercats and Rock Lobster had the same number of wins and loses. After comparing the scores, the second place team was Thundercats (The Phantom, Fluttershy, Flying Turtal, Cloud and Clueless). Then Rock Lobster (Darkace, Red Dog, Woodpile, Skeletor and drafted Shadowdancer and Miza) took third. These teams are all players from our very own, LSP.

LSP held the February tournament on the 18th. The teams felt that red side was dominate, but when the even rated teams played, the games were very close. At the end of the night, the last game was the battle for first place. Rock Lobster (Darkace, Red Dog, Woodpile, Cool Cat and Lanari) and Uprising (Rave, Hawk, Pickles, Miza and Phoenix) battled it out. Rock Lobster pulled off the win by just 16 points and neared disqualification due to penalties. First place when to Rock Lobster, Second place went to Uprising and the third place medals when to Thundercats.

The March tournament was held in Ohio and the April tournament has been scheduled for April 28th here at Laser Storm Pittsburgh.

Congratulations to all the players and thank you for keeping the tournaments interesting.

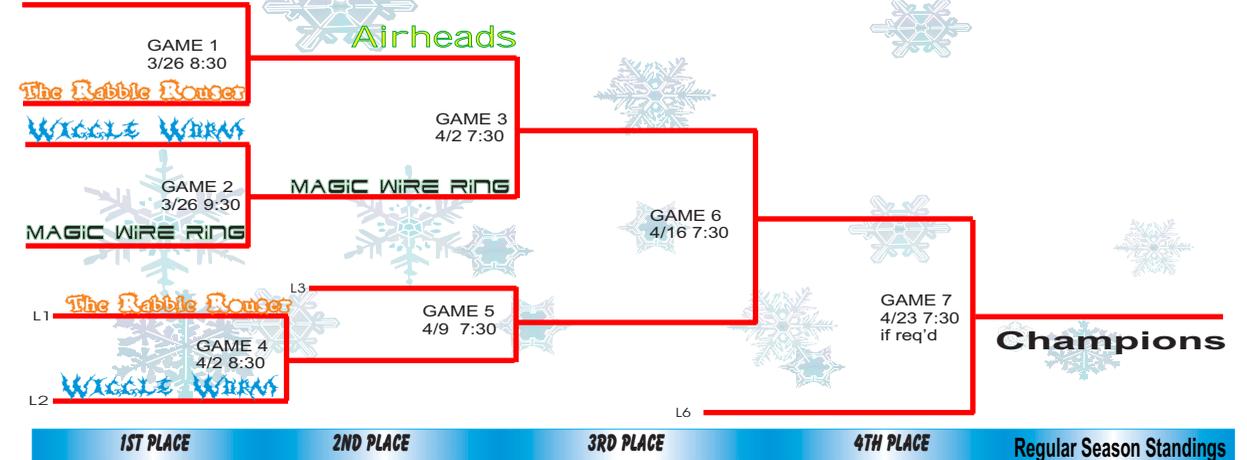

LEAGUE INFORMATION

This league season, we experimented with the rules. There were several rule modifications and changes to the settings for the games. We did a whole series of games with stealth, but the favorite was a rule change for the base. The covering rules for the base zone were the same as the rest of the arena.

The playoffs are now under way, with only a few more weeks left. The next league sign-up sheet will be posted soon. Keep your eyes out for it. Events occur so fast that it is easy to miss your chance.
